

Diane Jones

I am a Harley riding, Drag Racing, Grandma that has been riding motorcycles since a young teenager. I began riding my own bike in 2003 and have ridden to Milwaukee for Harley-Davidson 105th Anniversary, Sturgis, Reno, Arizona and places and memorable events in between.

I began a career in the insurance claims industry and the risk management field in 1978 and subsequently became a California licensed private investigator and my husband and I own a successful Private Investigation firm in Southern California. I am also a free lance photo/journalist for a national monthly motorcycle magazine, Thunder Press.

My husband, Mike "Shadow" Jones and I founded an organization called Search Angels Biker. As Search Angels, we help people, for free, around the globe by locating and reuniting them with family, friends and loved ones who have been separated due to the circumstances of their lives, such as adoption, divorce or separation of any kind.

I am an avid, life long, biker in every sense of the word, spending all my free time riding and drag racing motorcycles. I started racing on the AutoClub Speedway drag strip in Fontana right before they closed the track a year and half ago and I just finished my first season on the Las Vegas team for the Summit Bracket Series at the Drag Strip in Las Vegas. In the upcoming 2014 season I will be racing back in Las Vegas and in Fontana. I am so very excited for the upcoming season and the new custom drag bike that my husband is building for me with the help of some very well respected motorcycle builders and racing legends, like Wink Eller.

I have been blessed with some very awesome product sponsors over the past two seasons, however I am looking for some additional sponsors who would be willing to partner with me and support the Search Angels Race team in Las Vegas, NV and Fontana, CA next season with the goal of bringing more attention to the sport of drag racing for women and the average motorcycle enthusiast.

You can read more about us on our website www.SearchAngelsBiker.com and our Facebook Page <https://www.facebook.com/SearchAngels> If you are interested in drag racing sponsorship or know someone who is please contact me at (909) 721-0450 or email at SearchAngels191@aol.com to discuss the various sponsorship opportunities that will most benefit your organization.

Looking forward to an amazing 2014 racing season!

Thank you for your consideration

Diane Jones "Shadow's Wife"
